Host an ArtsFair with United Arts of Central Florida

The ArtsFair is an intimate gathering that gives employees the opportunity to connect with leading arts and cultural organizations in our community. It's a flexible and fun event where your company can show its support of the arts in our community while offering employees workplace giving opportunities as directed by the workplace.

ArtsFairs are held during the annual *Collaborative Campaign for the Arts* where all donations designated to one or more of the below campaign partners between February 1st – April 30th will receive a 15% match from United Arts!
